**THAT** a communication company made a small typo on a recent billing that now means the Flame Tree is a smoke-free enterprise as the document read 'Flame Free'?

**THAT** according to volunteer gardener Ants Harris, the Wellness Center is now offering bags of beautiful, healthy, aromatic basil for just \$2 (perfect as a garnish for fish, anything Italian, tomatoes, and ...)?

**THAT** the Coop School's sellathon of Christmas trees to raise money

continues with just 10 pine-smelling plants left (call Coop on 625-3144 to buy yours)?

**THAT** November's Stardom for Wisdom contenders for completing perfect RMI Riddles were Herman Lee-Enos, Dianne Myazoe-de-Brum, Bonny Taggart, Team Wanda, Dante Delavega, Leiana Pinho, Kubaak Mayn, and William Reiher (see center item for the big winner)?

**THAT** we tossed contestants' names in the air and, ta-da, November's Stardom for Wisdom winner is Kubaak Mayn (who should see Rose Murphy to collect her pizza gift certificate)?

and every poem inside starts with the word "what"?

**THAT** Waan Aelon in Majel graduated its first class of canoe building trainees on Ebeye last week with 24 out of 25 graduating and the only reason it wasn't 100 percent is that the 25th had already gotten a job at USAKA so was busy working?

**THAT** Jaluit Senator Alvin Jacklick this week called the AMI plan to buy a 1986 Dornier plane "an embarrassment for the country"?

**THAT** an MEC distribution crew fixed a light at the CMI court that had been broken for years and now players in the Ralik-Ratak tournament can see their shots?

**THAT** 252 solar units were shipped late last week to Maloelap and Ailuk?

**THAT** think Christmas and think local handicrafts because your friends will love them ... and so will the artists?

## ARE YOU AWARE?

**THAT** this week's winner of Stardom for Wisdom is Bonny Taggart and Herman Lee-Enos (yes, they're back!)?

**THAT** the ONLY place to be this evening (Thursday) is RRE's Mon Bokanake for the special showing of The Sound of Crickets at Night, which is a fund-raiser for Microwave Films, costs \$10 a ticket, and allows you

before the movie to mingle (ohmygosh) with the stars?

**THAT** Pacific AIDS Foundation Ambassador Temo Sasau has been in Majuro for a week of awareness raising with local students and community leaders about the problem?

**THAT** former CMI instructor PK Harmon has just published a book of poetry titled "What Island"
