Victors for the ‘Chickenrun’

The fourth Saturday Chickenrun tennis tournament Saturday sponsored by Skyline Enterprises produced a sequel of “The Clash of the Titans.”

Eight strong teams registered including Sponsor’s Team Labao Fernando/Verney Wase and Boyet Formentera/Rommel Natividad.

The quarterfinals were mostly short: Wenyen Lee/Wilson Cinco defeated Wilbur Allen/Rammy Ishiguru, 6–3, Labao Fernando/Verney Wase defeated James West/John Alik, 6–1, Phil Philippo/Achien Lin defeated Boyet Formentera/Rommel Natividad, 6–4, Ken Jetton/lucky loser Rammy Ishiguro defeated Collin Allen/Hilton Kendall, 6–4.

During the semis, Team Lee/Cinco defeated Team Fernando/Wase, 6–3 while Team Philippo/Achien defeated Team Jetton/Ishiguro, 6–2. Playing for third place

was Fernando/Wase against Jetton/Ishiguro — the latter went home victorious, 6–4.

The championship was a walk in the park for Philippo/Lin in denying Lee to take his eleventh championship belt and more so, Cinco’s first. This is the second time that Philippo and Lin won together. Philippo won his sixth championship while Lin won his forth.

Tennis club officer Arlene Natividad awarded the prizes to the champions, Philippo/Lin with one case of chicken quarter legs, second placer Lee/Cinco with one box of ramen, and third placer Jetton/Ishiguro. Fernando announced that the winning teams would enjoy a free meal at Skyline Restaurant down at Uliga.

The top eight players are Wenyen Lee, Phil Philippo, Rommel Natividad, Rammy Ishiguru, Boyet Formentera, Achien Lin, Collin Allen, and Francis Heine.

RMI PORTS AUTHORITY REQUEST FOR QUALIFICATIONS (RFQ)
Professional Design-Build Services for the AKIA Perimeter Security Fence
NOTICE

The Republic of the Marshall Islands Ports Authority (RMIPA), a public corporation of the Republic of the Marshall Islands, is hereby soliciting Statements of Professional Qualifications from interested design-build firms for the purpose of designing and constructing approximately 8700ft (with additional 500ft as an add alternate) of perimeter security fence along the south side of the Amata Kabua (Majuro) International Airport (AKIA), Majuro Atoll, Marshall Islands. This work will be performed and constructed under the Federal Aviation Administration (FAA) Airport Improvement Program (AIP) grant to RMIPA.

The design-build project is comprised of the following main objectives:

- In accordance with FAA AC Circular 107-1 create design drawings for the Runway Safety Area (RSA) Security Fencing System along the south side of RWY7
- Provide wind load calculations on the purpose fence installation
- Acquire all materials from Betafence USA for installation at AKIA
- Provide all manpower, equipment, supplies, appurtenance, etc. to construct the RSA Security Fencing System along the south side of RWY7

Further details of this RFQ may be obtained by submitting written interests to the following RMIPA contract office representative, or via email to sean.dunckel@lyons.us.com with the subject heading, “Statement of Qualifications for the AKIA Perimeter Security Fencing Project”.
