

For the Miecoco Beach Yacht Club it has been the ...

Year of the cat

A record number of catamarans joined Majuro's international cruising fleet in the 2012-13 cruising season, which generally begins in November and ends in April and May. Pictured above are Blue Bie, Pogeyan, and Looping, with the trimaran Second Tri in the back ground. Below is yet another catamaran, French Kiss. Thanks to the monohull Streetcar and Nige Deacon for the photos and to singer Al Stewart for our headline.

The racing sheet:

The catamaran French Kiss skippered by Pete Allen blew off the competition in Sunday's fifth and last race of the Miecoco Beach Yacht Club's 2012-13 season.

The winds were at a steady 20 knots, gusting to 26, for the race, resulting in most of the captains reefing their sails.

Two canoes from Waan Aelon in Majel ventured onto the course alongside the seven yachts: French Kiss, Sela, Break Free, Genesis Earthling, Blue Bie, Pogeyan, and Deviant.

Crews and captains retired after the race to the Marshall Islands Resort for the awards ceremony emceed by Commodore Kevin Battams-Akast and supported by Prize Directors Brittany VanAuken and Zoey Meyers.

The 'end-of-season' sponsors and members dinner will be held at the MIR this Friday night, with the series placings being announced at the event.
